

Audio-Visual Materials

Audio and video material should be representative of the act’s live performance. If this is not the case, indicate clearly how the materials differ from what would be performed. Only one type of media (CD or DVD) will be viewed for each act. Send one copy of a CD or DVD (Note: DVDs are encouraged, but not required). Please list below the three cuts you want the selection committee to hear.

Chapter/Track #: _____ Track Name: _____

Chapter/Track #: _____ Track Name: _____

Chapter/Track #: _____ Track Name: _____

Additional viewing instructions: _____

Technical Specifications

Please identify the number of performers in the act being submitted: _____

Equipment brought by act (list all instruments, props and sound equipment. _____

Submission

In order for an act to be considered for a performance, all of the following items must be collated and submitted to: Lauren Smith, Communications Manager (1501 Aviation Way Augusta, GA 30906)

- One copy of the Musical Artist Performance Application (both pages)
- One copy of an outline/list of entertainment industry-related appearances/accomplishments
- One photo of the act
- Video or audio presentation of the act’s performance identifying three selections you would like the Committee to see/hear. The Committee will review a minimum of three minutes.
- Optional: additional press/marketing materials and other materials the act feels may aid the Committee with its consideration. This might include a list of press clips, marketing materials and/or press kit.

Note: The Augusta Regional Airport will not be responsible for loss of or damage to any materials submitted to the selection committee.

----- FOR COMMITTEE USE -----
